POSTPONEMENT THE 2021 OMEP WORLD ASSEMBLY AND CONFERENCE

February 24th, 2021

DEAR COLLEAGUES,

The situation caused by the COVID-19 pandemic is still very grave and unpredictable. In consideration of our commitment with the health and safety of our members and colleagues, the OMEP Executive Committee (EXCO) has decided to postpone the **72ND OMEP WORLD ASSEMBLY AND CONFERENCE**, to be held in Athens, **to 11 to 15 July 2022**. The programme and the venues will remain the same.

ABOUT SUBMISSIONS

Accepted submitted abstracts can be kept until next year, but, if someone does not wish to present it at OMEP2022, s/he will have the possibility to withdraw it, by sending an email at info@omep2021.org and stating the abstract number.

For new submissions we inform you that, in about six months, **OMEP Greece** and **AFEA** (responsible for the organization and logistics) will open again the abstract submission portal.

ABOUT REGISTRATIONS

The current preliminary review suggests that OMEP has succeeded in minimizing the costs due to the postponement.

- If some colleagues registered for OMEP 2020, the registration remains in place for OMEP 2022.
- If someone who has registered already and who cannot attend in 2022, please contact: info@omep2021.org
- If you need any other information related with registrations, please contact: info@omep2021.org
